ORDERING INFORMATION

Ordering Information
By making a payment for your order, it is assumed that you agree to the following terms and conditions.

Payment Information
We use Stripe to authorise your payments and so you will see their secure pages for payment processing. Please note that as all items are produced to your specific order, payment will be charged to your card as soon as the order is placed, not at the point of dispatch.

Delivery Policy
Whilst we aim to process and dispatch orders within a few days, to ensure the maximum level of quality in all processing, please allow a period of 14-28 days for delivery in Mainland Britain. For all International orders (all destinations outside of mainland Britain), please allow a period of 21-28 days. This includes all processing, framing, packaging and distribution.

Refund Policy
Please choose carefully as refunds may not be given on orders due to the custom nature of the product. This applies to both printed images and digital files (where available). If you choose to download an image (if purchased in this format), the purchase is considered complete as soon as the download process starts. If you do have any queries about your order after payment has been made, please contact us as soon as possible to discuss your options.

Privacy Policy
Everybodysmile Limited will only capture details from you to assist with the purchase of images through our system and will not use any of your personal data without your express permission.
